

Self-Service Kiosks

HAWK SELF-SERVICE KIOSK

The Hawk self-service kiosk offers a large 27" portrait touch screen solution ideal for QSR and hospitality requirements. Featuring responsive P-CAP touch and a powerful i3 processor, the Hawk delivers a fast user experience, reducing customer waiting time and increasing your throughput efficiency.

With freestanding and wall-mounted options available and easy maintenance regardless of setup, the Hawk can easily adapt to your specific locational needs. The Hawk also features anti-vandal glass coating and anti-theft mounting, giving you peace of mind that your self-service solution will remain secure and efficient at all times.
